What is a Limited Warranty?

Warranty is a written guarantee by the manufacturer of a product, promising to repair or replace parts which have a defect in material or workmanship. "Limited" means that the Warranty is for a specified period of time, and has certain other restrictions. Parts will be warranted for the time periods specified in this published warranty. Any exceptions must be approved by Magnum .

Warranty Start Date

The warranty coverage begins on the date of original purchase and applies to the original components only.

Right to Inspect

Magnum and its service centers reserve the right to inspect the customer's Magnum products to determine if a defect in materials or workmanship exists prior to the commencement of any covered repair. It is the customer's responsibility to contact the Magnum authorized service center and make the arrangements for inspection and/or repair.

Limitations Of Liability

Magnum liability for special, incidental, or consequential damages is expressly disclaimed. In no event shall Easy-Kleen's liability exceed the purchase price of the product in question. Magnum makes every effort to ensure that all illustrations and specifications are correct, however, these do not imply a warranty that the product is merchantable or fit for a particular purpose, or that the product will actually conform to the illustrations or specifications. Our obligation under this warranty is expressly limited at our option to the replacement or repair at our manufacturer location, if such part or parts at inspection shall disclose to have been defective. Magnum does not authorize any other party, to make any representation or promise on behalf of Magnum or to modify the terms, conditions, or limitations in any way. It is the buyer's responsibility to ensure that the installation and use of Magnum products conform to local codes. Magnum recommends that you keep records and receipts; you may be asked to prove that the maintenance instructions have been followed. It is also the customer's responsibility to operate the equipment in a safe manner, and for the use for which it was designed. If a defect in materials or workmanship occurs, it is the customer's responsibility to cease operating the equipment until repairs are made. Damage which occurs from continued operation after a defect is identified may not be covered by this warranty. Your authorized service center should be contacted immediately so that repairs can be made in a timely manner.

Repair at an Authorized Service Center

To obtain warranty service under the terms and conditions of the Magnum Limited Warranty, you must deliver portable equipment to an authorized Magnum service center. For stationary models or instances when delivery is not possible, the customer should make arrangements for a service call from the service center. At the time of repair, you must provide proof of purchase. Magnum recommends that the service center from whom the machine was purchased be contacted for the warranty repair. If that is inconvenient, any authorized Magnum service center may complete the repairs. If the service center is requested to complete repairs at the customer's location, please note that the service center may charge for pickup & delivery, or for travel time and mileage. These charges are not covered under the Magnum Limited Warranty and are the customer's responsibility.

Changes in this Policy

Magnum reserves the right to make any changes to a Magnum product at any time without incurring any obligation with respect to any product previously, ordered, sold, or shipped.

Warranty Repairs

Repairs covered under the conditions of this warranty must be performed by an authorized Magnum service center. Warranty claims must first contact Easy-Kleen's Service Department to be issued a preauthorized repair number (PARN). You will need a copy of your invoice and the equipment serial number.

If new parts are needed, they will be invoiced to you as normal. Defective parts are to be sent to us **PREPAID** for warranty consideration.
